

Commissioners Proceedings

On July 24, 2017, at 11:00 a.m. the Board of Commissioners of Cavalier County, North Dakota, met at the Cavalier County Courthouse for a special meeting, with all members present. Elsie Magnus was in attendance by phone for most of the meeting. Chairman Nick Moser called the meeting to order and proceeded as follows:

The 2005 CAT 140H motor grader located in Sarles was discussed. After being monitored for the past several months, Butler was now recommending that the transmission be repaired, based on more metal shavings being detected in the filter. The approximate cost of the repair was \$30,000.00 and would take about a week to repair in Jamestown. **Stanley Dick made a motion, seconded by Richard Ring, to repair the motor grader transmission. A roll call vote was taken, with all voting in favor.**

Snowplow truck drivers were discussed for the upcoming winter. It was decided to check with the operators and find out if there would be position(s) needing to be filled. The estimate on repairing the Langdon truck was also going to be followed up on.

At 11:45 a.m., Stanley Dick made a motion to adjourn the meeting, seconded by Richard Ring; motion carried.
